**Connecting those 55 and over to
Each Other and to Fellowship in Jesus**

Our Purpose:

To communicate and share God’s love by creating an inviting environment each month for a dinner and a time to enjoy fellowship with others in their golden years.

Who:

Our monthly dinners are geared towards those who are 55 and over but we always welcome our younger friends to join us. These dinners offer a wonderful time to build friendly relationships, encourage one another and to share fellowship with other people from the same age group.

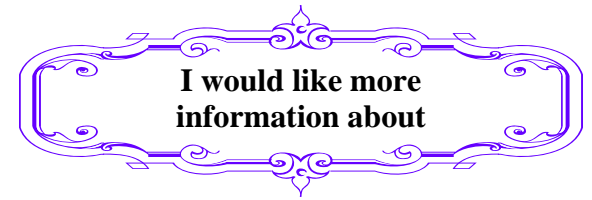

Open Invitation:

Our dinners are open to other churches and to those who do not have a church home. Everyone is encouraged to invite a friend or two.

When & Where:

Young at Heart Dinners take place the third Friday of every month in the lobby of Bear Creek Church’s Worship Center. There is a small cost for the dinner and reservations must be made in advance. The dinner includes an educational, musical or entertaining program; these activities are fun and upbeat and an opportunity for personal enrichment.
